**Radiation Exposure Compensation Program
"Interim" Ore Transporters Claim Form**

Interim claim form for cases filed after enactment of the Radiation Exposure Compensation Act Amendments of 2000 where an individual was employed in the transport of uranium ore or vanadium-uranium ore for a specified time period and later developed lung cancer, a nonmalignant respiratory disease, renal cancers, or other chronic renal disease including nephritis and kidney tubal tissue injury. A claimant or persons seeking compensation on behalf of a claimant (if claimant is deceased) may apply.

INSTRUCTIONS:

Complete all Parts of the white "Interim" Ore Transporters Claim Form and all Parts (except Parts 4, 6, and 7) of the attached pink "Uranium Mine Employee" Form.

Contact the Radiation Exposure Compensation Program for additional help at 1-800-729-7327.

Part A Part A concerns information about the DISEASE that the claimant developed after employment in the transport of uranium ore or vanadium-uranium ore from an uranium mine or mill for a period of at least 1 year during the period beginning on January 1, 1942, and ending on December 31, 1971.

- Place a check next to the DISEASE that the claimant developed.
- If the claimant did NOT become ill with one of the listed diseases, he or she is not eligible for compensation.

_____lung cancer (including any physiological condition of the lung, trachea, or bronchus that is recognized as "lung cancer")

_____pulmonary fibrosis

_____fibrosis of the lung

_____silicosis

_____chronic renal disease (including nephritis and kidney tubal tissue injury)

_____cor pulmonale related to fibrosis of the lung

_____pneumoconiosis

_____renal cancers

Part B Part B concerns information about the claimant's employment in the transport of uranium ore or vanadium-uranium ore from an uranium mine or mill for a period of at least 1 year during the period beginning on January 1, 1942, and ending on December 31, 1971.

- Fill in the following chart with as much of the work history of the claimant as you know beginning with the earliest period of employment and continuing chronologically until the last period of employment.
Check here ___ if you would like the Radiation Program to help you reconstruct this employment history. We will call to help you after we receive this form.
- Provide as many records as you now have which show that the claimant was employed in the transport of uranium ore or vanadium-uranium ore from a uranium mine or uranium mill for the employers you listed on the chart. Send original or certified copies of these records unless you cannot obtain original or certified copies. If you cannot obtain original or certified copies, send the records you have and attach a short note explaining why you cannot obtain original or certified copies.
Check here ___ if you would like the Radiation Program to help you obtain records showing employment as an ore transporter.

Part 3

- This Part concerns information about your **RELATIONSHIP** with the person you identified in Part 2 of this form as having lung cancer or a nonmalignant respiratory disease.
- Select the relationship that **YOU – THE PERSON FILING THIS CLAIM** – had with the person who became ill with lung cancer or a nonmalignant respiratory disease (the person identified in Part 2 of this form):

SELF – go to Subpart (a)
SPOUSE – go to Subpart (b)
CHILD – go to Subpart (c)
PARENT – go to Subpart (d)
GRANDCHILD – go to Subpart (e)
GRANDPARENT – go to Subpart (f)

a. ☐ Check here if **YOU – THE PERSON FILING THIS CLAIM** – are the person identified in Part 2 who became ill with lung cancer or a nonmalignant respiratory disease. Go to Part 4, now.

b. ☐ **SPOUSE**. Check here if you are filing this claim as the **SPOUSE** of the person identified in Part 2 who became ill with lung cancer or a nonmalignant respiratory disease. Please answer the following questions. Go to Part 4 after you have answered these questions.

Yes ☐ No ☐ Is the person identified in Part 2 deceased? If “NO”, you are not eligible to file this claim. Please consult your Guidebook.

Yes ☐ No ☐ Were you married to the person identified in Part 2 for at least one year immediately prior to that person’s death? If “NO”, you are **not** eligible to file this claim. Please consult your Guidebook. If “YES”, attach an **original** or certified copy of your marriage certificate.

c. ☐ **CHILD**. Check here if you are filing as a **CHILD** of the person identified in Part 2 who became ill with lung cancer or a nonmalignant respiratory disease. Please answer the following questions. Go to Part 4 after you have answered the questions.

Yes ☐ No ☐ Is the person identified in Part 2 deceased? If “NO”, you are not eligible to file this claim. Please consult your Guidebook.

Yes ☐ No ☐ Was the person identified in Part 2 ever married? If “YES”, list the name of each spouse, the date and place each marriage began and ended, and the date and place of divorce or death of the last spouse of the person identified in Part 2. Attach an original or certified copy of the marriage certificate and the death certificate or divorce decree for each spouse of the person identified in Part 2.

Use a separate sheet of paper if additional space is needed.

- ☐ Yes ☐ No Are you a natural child of the person identified in Part 2?
- ☐ Yes ☐ No Are you an adopted child of the person identified in Part 2? If "YES", attach an original or certified copy of the judicial decree of adoption.
- ☐ Yes ☐ No Are you a step-child who lived in a regular parent-child relationship with the person identified in Part 2? If "YES", attach original or certified copies of records (e.g., school records) indicating that you lived with the person identified in Part 2 in a regular parent-child relationship.
- ☐ Yes ☐ No Were there any other natural, adopted, or step-children of the person identified in Part 2 other than you? If "YES", list the name of each child, the date and place of birth of each child, and the date and place of death or current address of each child. Attach an original or certified copy of the death certificate for each deceased child.

Use a separate sheet of paper if additional space is needed.

d. ☐ PARENT. Check here if you are filing as the PARENT of the person identified in Part 2 who became ill with lung cancer or a nonmalignant respiratory disease. Please answer the following questions. Go to Part 4 after you have answered these questions.

☐ Yes ☐ No Is the person identified in Part 2 deceased? If "NO", you are not eligible to file this claim. Please consult your Guidebook.

☐ Yes ☐ No Was the person identified in Part 2 ever married? If "YES", list the name of each spouse, the date and place each marriage began and ended, and the date and place of divorce or death of the last spouse of the person identified in Part 2. Attach an original or certified copy of the marriage certificate and the death certificate or divorce decree for each spouse of the person identified in Part 2.

Use a separate sheet of paper if additional space is needed.

☐ Yes ☐ No Did the person identified in Part 2 have any natural, adopted, or step-children? If "YES", list the name of each child, the date and place of birth of each child (or date and place of adoption), and the date and place of death of each child of the person identified in Part 2. Attach an original or certified copy of the death certificate of each child.

Use a separate sheet of paper if additional space is needed.

- Yes ☐ No ☐ Are you a natural father/mother of the person identified in Part 2?
- Yes ☐ No ☐ Are you an adoptive father/mother of the person identified in Part 2? If "YES", attach an original or certified copy of the judicial decree of adoption.
- Yes ☐ No ☐ Are there any living natural or adoptive parents of the person identified in Part 2 other than you? If "YES", list the name and address of each parent. If "NO", list the name, and date and place of death of each deceased parent. Attach an original and certified copy of the death certificate of each deceased parent.

- e. ☐ GRANDCHILD. Check here if you are filing as a GRANDCHILD of the person who became ill with lung cancer or a nonmalignant respiratory disease. A member of the Radiation Exposure Compensation Unit will contact you to provide assistance in establishing your relationship with the person who had lung cancer or a nonmalignant respiratory disease.
- f. ☐ GRANDPARENT. Check here if you are filing as a GRANDPARENT of a person who became ill with lung cancer or a nonmalignant respiratory disease. A member of the Radiation Exposure Compensation Unit will contact you to provide assistance in establishing your relationship with the person who had lung cancer or a nonmalignant respiratory disease.

Part 4

- This Part concerns information about the DISEASE that the person identified in Part 2 developed after employment in a uranium mine.
- Place a check in the box next to the DISEASE that developed after employment in a uranium mine.
- If the person identified in Part 2 did NOT become ill with one of the diseases listed on the following page, you are not eligible for compensation. Please consult your Guidebook or contact the Radiation Exposure Compensation Unit.

- ☐ primary cancer of the lung, trachea or bronchus ☐ moderate or severe pneumoconiosis
- ☐ pulmonary fibrosis or sclerosis of the lung ☐ cor pulmonale related to fibrosis of the lung
- ☐ moderate or severe silicosis

Part 5

- This Part concerns RECORDS which can prove that the person identified in Part 2 actually became ill with lung cancer or a nonmalignant respiratory disease.
- You must either (1) send us the records listed on the attachment to this form, or (2) in the case of lung cancer permit us to contact the National Institute for Occupational Safety and Health (NIOSH), St. Mary's Hospital in Grand Junction, CO, the University of New Mexico School of Medicine, or the appropriate state cancer or tumor registry to confirm eligibility for you.
- Select the method(s) you wish to use to prove that the person identified in Part 2 actually became ill with lung cancer or a nonmalignant respiratory disease:
 - ☐ Check here if you are submitting one of the records listed on the Medical Records Attachment.
 - ☐ Check here if you want the Radiation Unit to contact NIOSH. Lung cancer **only**.
 - ☐ Check here if you want the Radiation Unit to contact St. Mary's Hospital. Lung cancer **only**.
 - ☐ Check here if you want the Radiation Unit to contact the University of New Mexico School of Medicine. Lung cancer **only**.
 - ☐ Check here if you want the Radiation Unit to contact the state cancer or tumor registry indicated below.
- If the person who became ill with lung cancer was diagnosed as having that disease in any of the following states, please place a check in the box next to the appropriate state:

<input type="checkbox"/> Arizona	<input type="checkbox"/> New Mexico
<input type="checkbox"/> Colorado	<input type="checkbox"/> Utah
<input type="checkbox"/> Nevada	<input type="checkbox"/> Wyoming
- Fill out and return the Authorization to Release Medical and Other Information page and the Authorization to Release Mining, Employment, Medical and Other Information page attached to this claim form.

Part 6

- This Part concerns information about the chronological underground uranium mine employment history of the person identified in Part 2.
- Fill in the following chart with as much of the work history of the person identified in Part 2 as you know beginning with the earliest employment in a mine and continuing chronologically until the last period of employment in a mine. Check here ☐ if you would like the Radiation Unit to help you reconstruct this employment history. We will call to help you after we receive this form.
- Provide as many records as you now have which show that the person identified in Part 2 worked in the uranium mines you listed on the chart. Send original or certified copies of these records unless you cannot obtain original or certified copies. If you cannot obtain original or certified copies, send the records you have and attach a short note explaining why you cannot obtain original or certified copies. Check here ☐ if you would like the Radiation Unit to help you obtain records showing employment in uranium mines.
- Fill out the Authorization to Release Mining Employment, Medical and Other Information page attached to this form and return it to the Radiation Unit with the claim form.

Part 7

- This Part concerns information about the **LEVEL OF RADIATION** to which the person identified in Part 2 was exposed while working in each uranium mine.
- If you have any records containing this information send original or certified copies of these records. If you cannot obtain original or certified copies send the records you have and attach a short note explaining why you cannot obtain originals or certified copies.
- Check the appropriate box regarding the person who became ill (if known):
 - ☐ Nonsmoker and exposed to at least 200 working level months of radiation;
 - ☐ Smoker diagnosed with lung cancer or a nonmalignant respiratory disease prior to age 45 and exposed to at least 300 working level months of radiation;
 - ☐ Smoker diagnosed with lung cancer or a nonmalignant respiratory disease after age 45 and exposed to at least 500 working level months of radiation; or
 - ☐ Do not know, but would like the Radiation Unit to help me.
- Check the appropriate box(es) regarding records showing the level of radiation to which the person identified in Part 2 was exposed while working in uranium mines (if known):
 - ☐ Public Health Service Study of Uranium Miners reflects 200/300/500 working level months of radiation (circle correct number);
 - ☐ St. Mary's Hospital Study of Uranium Miners reflects 200/300/500 working level months of radiation (circle correct number);
 - ☐ University of New Mexico School of Medicine/Tumor Registry Study of Uranium Miners reflects 200/300/500 working level months of radiation (circle correct number);
 - ☐ Do not know, but would like the Radiation Unit to find out for me.

Part 8

- This Part concerns **PREVIOUS PAYMENTS OF MONEY** in connection with lung cancer or the nonmalignant respiratory disease for which this claim is submitted under the Radiation Exposure Compensation Act.
- Answer the question below by placing a check in the box next to the correct answer to each question.

Yes No
☐ ☐

Have you or anyone else received any payment of money pursuant to final award or settlement on a claim (other than worker's compensation or life and health insurance) against any person (including a corporation) that is based on the illness for which this claim is submitted?

If you checked "YES", please use a separate sheet of paper to identify the date, amount, and person or organization from whom **EACH AND EVERY** payment of money was received, and explain the circumstances surrounding the payment.

Part 9

Have you hired an attorney to represent you for the purpose of filing this claim? Check one:

Yes ☐ **No** ☐

NOTE: You are not required to hire an attorney to file this claim. If you do wish to be represented by an attorney, you are responsible for making arrangements for that attorney to be paid.

If "YES", please indicate your attorney's name, address, and phone number here:

Listed below are the records which the Radiation Exposure Compensation Program will accept as proof that the person who became ill actually contracted **lung cancer, pulmonary fibrosis, fibrosis of the lung, cor pulmonale related to fibrosis of the lung, silicosis, or pneumoconiosis.**

Tear off this attachment and take it to the doctor or hospital holding the records of the person who became ill with **lung cancer, pulmonary fibrosis, fibrosis of the lung, cor pulmonale related to fibrosis of the lung, silicosis, or pneumoconiosis.**

Show this list to the doctor or hospital and ask them to give you **original or certified copies** of the required medical documentation listed below. Submit the record(s) containing a diagnosis of the disease, if possible. Otherwise, send the records listed below that are available. Call the Radiation Program if you have any questions at 1-800-729-7327.

(A) Lung Cancer

1. If the person with lung cancer is **deceased**, any one of the following records may be submitted as proof of the disease:

- a. Pathology report of tissue biopsy, including, but not limited to specimens obtained by any of the following methods:
 - i. surgical resection
 - ii. endoscopic endobronchial or transbronchial biopsy
 - iii. bronchial brushings and washings
 - iv. pleural fluid cytology
 - v. fine needle aspirate
 - vi. pleural biopsy
 - vii. sputum cytology
- b. Autopsy report
- c. Bronchoscopy report
- d. One of the following summary medical reports:
 - i. physician summary report
 - ii. hospital discharge summary report
 - iii. operative report
 - iv. radiation therapy summary report
 - v. oncology summary or consultation report
- e. Reports of the radiographic studies, including:
 - i. x-rays of the chest
 - ii. chest tomograms
 - iii. computer-assisted tomography (CT)
 - iv. magnetic resonance imaging (MRI)
- f. Death certificate, provided that it is signed by a physician at the time of death.

2. If the person with lung cancer is **alive**, the following medical records must be submitted:

- a. Arterial blood-gas studies: a blood-gas study administered at rest in a sitting position, or an exercise blood-gas test; **or**
- b. Written diagnosis by a physician that is accompanied by written documentation;
and one of the following:
- c. Chest x-rays: A chest x-ray administered in accordance with standard techniques and interpretive reports of a maximum of two National Institute of Occupational Safety and Health certified "B" readers classifying the existence of disease of category 1/0 or higher according to a 1989 report of the International Labor Office (known as the "ILO"), or subsequent revisions;
- d. High resolution computed tomography scans (commonly known as "HRCT scans") (including computer assisted tomography scans (commonly known as "CAT scans"), magnetic resonance imaging scans (commonly known as MRI scans), and positron emission tomography scans (commonly known as "PET scans")) and interpretive reports of such scans;
- e. Pathology reports of tissue biopsies; or
- f. Pulmonary function tests indicating restrictive lung function, as defined by the American Thoracic Society;

(B) Pulmonary Fibrosis or Fibrosis of the Lung

1. If the person with pulmonary fibrosis or fibrosis of the lung is **deceased**, one or more of the following medical records must be submitted:

- a. Pathology report of tissue biopsy
- b. Autopsy report
- c. If x-rays exist, the x-rays **and** interpretive reports of the x-ray(s) by two certified "B" readers classifying the existence of fibrosis of Category 1/0 or greater according to the ILO-1989, or subsequent revisions.
- d. If no x-rays exist, an x-ray report
- e. Physician summary report
- f. Hospital discharge summary report
- g. Hospital admitting report
- h. Death certificate, provided that it is signed by a physician at the time of death.

2. If the person with pulmonary fibrosis or fibrosis of the lung is **alive**, the following medical records must be submitted:

- a. Arterial blood-gas studies: a blood-gas study administered at rest in a sitting position, or an exercise blood-gas test; **or**
- b. Written diagnosis by a physician meeting the following requirements:
 - i. diagnosis accompanied by written documentation

- ii. diagnosis by an Indian Health Service or a Department of Veterans Affairs board certified physician
- iii. physician must have a documented ongoing relationship with patient;

and one of the following:

- c. Chest x-rays: A chest x-ray administered in accordance with standard techniques and interpretive reports of a maximum of two National Institute of Occupational Safety and Health certified "B" readers classifying the existence of the nonmalignant respiratory disease of category 1/0 or higher according to a 1989 report of the International Labor Office (known as the "ILO"), or subsequent revisions;
- d. High resolution computed tomography scans (commonly known as "HRCT scans") (including computer assisted tomography scans (commonly known as "CAT scans"), magnetic resonance imaging scans (commonly known as MRI scans), and positron emission tomography scans (commonly known as "PET scans")) and interpretive reports of such scans;
- e. Pathology reports of tissue biopsies; or
- f. Pulmonary function tests indicating restrictive lung function, as defined by the American Thoracic Society;

(C) Cor Pulmonale Related to Fibrosis of the Lung

1. If the person with cor pulmonale related to fibrosis of the lung is **deceased**, please provide the same documentation as required for proof of pulmonary fibrosis or fibrosis of the lung in section (B)(1) above **and** one or more of the following medical records:

- a. Right heart catheterization;
- b. Cardiology summary or consultation report;
- c. Electrocardiogram;
- d. Echocardiogram;
- e. Physician summary report;
- f. Hospital discharge report;
- g. Autopsy Report;
- h. Report of physical examination;
- i. Death certificate, provided that it is signed by a physician at the time of death.

2. If the person with cor pulmonale related to fibrosis of the lung is **alive**, please provide the same documentation as required for proof of pulmonary fibrosis or fibrosis of the lung in section (B)(2) above.

(D) Silicosis or Pneumoconiosis

1. If the person with silicosis or pneumoconiosis is **deceased**, please provide the same documentation as is required for proof of pulmonary fibrosis or fibrosis of the lung in section (B)(1) above.
2. If the person with silicosis or pneumoconiosis is **alive**, please provide the same documentation as is required for proof of pulmonary fibrosis or fibrosis of the lung in section (B)(2) above.
